If you are interested, please attend the LIFE Discussion on Programs, Barriers and Opportunities: Building on the discussions started during the [2018 LMI Public Forums \(PDF\)](#) ,

NYSERDA and the NYS Department of Public Service will incorporate stakeholder feedback sessions to discuss current initiatives and identify opportunities to improve the impact of energy and affordability programs in communities. The discussion will take place following the educational portion of each LIFE Regional Meeting and is estimated to run from 2:30 p.m. to 4:30 p.m. Discussion attendees are not required to attend in the educational portion of the LIFE Regional Meeting. The feedback session is free to attend, but advance registration is required.
